ABOUT ROTARY

THE BENEFITS OF MEMBERSHIP

Service

Club members have many opportunities for humanitarian service, both locally and internationally. Rotarians regularly experience the fulfillment that comes from giving back to the community.

Friendship

Rotary was founded on fellowship, a cornerstone that continues to attract members today. Rotarians enjoy camaraderie with like-minded professionals, and club projects provide opportunities to develop enduring friendships. Club members who travel have friendly contacts in almost every city of the world.

Family

Rotary sponsors some of the world's largest exchange and educational programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders, and they involve family members in a wide range of social and service activities.

Ethics

Encouraging high ethical standards and respect for all worthy vocations has been a hallmark of Rotary from its earliest days. In their business and professional lives, Rotarians abide by the Four-Way Test of the things we think, say or do: Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?

Leadership

Rotary is an organization of successful professionals. Team-building, fundraising, public speaking, planning, organization, and communication are just some of the leadership skills that club members can exercise and enhance. Being a Rotary leader provides further experience in motivating, inspiring, and guiding others.

Networking

An original goal of Rotary was to allow club members to meet periodically and enlarge their circle of business and professional acquaintances. As members of the oldest service club in the world, Rotarians represent a cross-section of their community's business owners, executives, managers, political leaders, and professionals – people who make decisions and influence policy.

ABOUT ROTARY

PURPOSE AND HISTORY

Rotary

Rotary International is a volunteer organization of business and professional leaders who provide humanitarian service, and help to build goodwill and peace in the world. There are approximately 1.2 million Rotary club members belonging to 33,000 Rotary clubs in more than 200 countries and geographical areas.

Founded in Chicago in 1905, Rotary celebrated 100 years of service in 2005. Known as ROTARY/One, the Rotary Club of Chicago started on February 23, 1905. Leaders of the Club went on to establish Rotary International in 1910. Paul Harris, Rotary's founder, became the first international president. Ches Perry, of ROTARY/One, became the first general secretary of the newly formed international office. Every member has a classification that reflects the member's business or profession. Rotary has two types of membership: Active and Honorary.

The Rotary Club of Chicago – ROTARY/One

Today the club meets six times a month; on Tuesdays at noon at the Union League Club of Chicago (65 West Jackson Blvd, Chicago, IL 60604), except that on many first Tuesdays a meeting is held in the evening as Rotary After Work; in addition, there is an informal gathering for lunch on most Fridays, for networking.

The Club has a foundation, ROTARY/One Foundation, Inc., and distributes grants, manages programs and projects each year to support US nonprofits and international NGOs. The Club is governed by a Board of Directors and officers. Conor Gee is the 2017-2018 President. The board organizes the work of the club through committees including: Club Service, Community Service, Finance, International Service, Membership, Public Relations and Vocational Service/JOB1. The Club's foundation is guided by a separate Board of Trustees, appointed by the Club Board. The Club is supported and administered by effectus, LLC. David Phelps serves as the club's Chief Administrative Officer. The office is remote and 'virtual'. Contact by phone at 312-372-3900 and email at office@rotaryone.club.

ROTARY INTERNATIONAL and The Rotary Foundation of Rotary International.

Rotary International's headquarters is in Evanston, IL (USA), www.rotary.org. The Rotary Foundation has awarded more than US\$2.4 billion in grants, which are administered at the local level by Rotary clubs.

What is the purpose of Rotary?

Rotary clubs exist to improve communities through a range of humanitarian, intercultural and educational activities. Clubs advance international understanding by partnering with clubs in other countries. Rotary also encourages high ethical standards in all vocations.

What do Rotary clubs do?

Rotary clubs address critical issues at home and abroad by providing health care and medical supplies, clean water, food, job training, youth development, and education to millions of people in need. Examples of Rotary's focus areas include:

Polio Eradication - In 1985, Rotary International created PolioPlus – a program to immunize all the world's children against polio. To date, Rotary has contributed US\$800 million and countless volunteer hours to the protection of more than two billion children in 122 countries. These efforts are providing much needed polio vaccine, operational support, medical personnel, laboratory equipment and educational materials for health workers and parents. In addition, Rotary has played a major role in decisions by donor governments to contribute over \$4 billion to the effort. With its community-based network worldwide,

PURPOSE AND HISTORY (Con't)

Rotary is the volunteer arm of the global partnership dedicated to eradicating polio. Rotary volunteers assist in vaccine delivery, social mobilization and logistical help in cooperation with the national health ministries, the World Health Organization (WHO), UNICEF, and the U.S. Centers for Disease Control and Prevention.

Peace - In an effort to educate tomorrow's peacemakers and ambassadors, up to 110 Rotary World Peace Fellows are sponsored each year to study at one of the eight universities for International Studies in peace and conflict resolution. Since 2002, over 350 fellows from over 75 countries have participated at a cost of more than \$23 million.

International Education - Rotary is the world's largest privately-funded source of international scholarships. Each year, about 1,000 university students receive Rotary scholarships to study abroad. Rotary clubs also coordinate a high school-age student exchange program that has sent nearly 8,000 students abroad for three months to a year.

Humanitarian Projects - Rotary clubs initiate thousands of humanitarian service projects every year. These volunteer-driven projects address the root causes of conflict, such as hunger, poverty, disease and illiteracy.

Literacy - Rotary clubs work to improve literacy rates worldwide. A unique, Rotary-pioneered approach called the Concentrated Language Encounter (CLE) has proven very effective in resource-strapped developing countries. It was so successful in Thailand, that the Thai government adopted the program nationwide.

Water Management - Recognizing the importance of clean water, many Rotary clubs help to install wells and develop water treatment and distribution systems to increase access to fresh drinking water for communities in need, especially in developing countries.

EXPECTATIONS OF CLUB MEMBERS – ACTIVE, HONORARY

The Rotary Club of Chicago – the founding club in the worldwide Rotary movement – is a group of professional men and women committed to local and international service, each other's personal and professional success and setting the standard for ethical leadership. As such, we expect the following from each other...

Financial Obligations. Prompt payment of dues to support the Club's operations, as outlined in Rotary Easy Pay. Members participate in the Rotary Easy Pay program with automatic monthly payments for dues, meals and additional event attendance. Automatic monthly payments on or about the first of each month are generated from credit cards or bank accounts. Active and Active-Young Professional (39 years old and under) dues include the three or four Tuesday luncheons and/or Rotary After Work meetings, as well as a variety of other special event benefits quarterly. Honorary member dues are annual. Honorary and evening Active-Young Professional Cosmopolitan member luncheon and event costs are à la carte .

Dues. Active - \$160 per month; Active-Young Professional - \$135 per month; Honorary - \$120; Honorary/Diplomat - \$25 annual. A onetime membership proposal application fee of \$350 for Active and Active-Young Professional is due at submission of application; there is no fee for Honorary-Diplomat applications.

Support of the ROTARY/One Foundation, which underwrites the service efforts of the Club. We expect that every member of the Club will a) make contributions to the ROTARY/One Foundation commensurate with his or her ability; and b) make the ROTARY/One Foundation a top priority for his or her personal philanthropy. Our hope is that each member of the Club each year becomes a Ches Perry Fellow, a designation currently awarded to any person who makes a \$1,000 contribution to the ROTARY/One Foundation.

Support of The Rotary Foundation of Rotary International, which underwrites international service efforts coordinated by Rotary International. Again, we expect that every member of the Club will make contributions to the Rotary Foundation commensurate with his or her ability, but of at least \$100 annually. Our hope is that each member of the Club becomes a Paul Harris Fellow, a designation currently awarded to any person who makes a \$1,000 contribution to The Rotary Foundation.

Participation in Club activities. We expect each member to attend at least two of the Club's meetings or luncheons each month. Participation in other Rotary activities are considered in lieu of attendance at the weekly meetings or luncheons, including attendance at other Rotary club meetings, participation in the Club service activities, attendance at Club committee meetings and participation in Rotary District and Rotary International activities. Active and Active-Young Professional members may have their account credited with \$15 upon production of a 'make-up' card from another club he or she visited within 14 days of a missed regular meeting of the club.

Participation in Club service projects. As the world's first service club, we expect that each member of the Club not only support the Club's service projects financially through the ROTARY/One Foundation, but actively plan and participate in the execution of those service projects. Each member of the Club chooses or is assigned to at least one committee or project task force, which is charged with the planning and coordination of those activities.

Commitment to each other's success. As a club originally founded to facilitate business networking, we encourage members to support each other professionally. Through our weekly luncheon or evening meetings, fellowship activities and service projects, we expect that members will develop relationships that will encourage and enable them to advance in their careers.

Facilitation of Club meetings. We expect that each member of the Club will facilitate at least one luncheon meeting annually by serving as a greeter of members and guests, invocator or similar role.

Ethical Behavior. Ethical behavior in our personal and professional lives. We expect each member to strive to set the standard for ethical behavior in his or her vocation and community.
